We offer

- Counseling and supportive services for people in prostitution
- Support and counseling with all difficulty topics for example, public institutions and offices, financial burdens & worries, finding accommodation, pregnancy, contraception and STI (sexually transmitted infection) or developing new perspectives
- Weekly visits in working clubs brothels, walkways and appointment flats.
- Intercultural openness through the use of language mediators when and if required
- Mediation (assisting) and continuing help in, accompanying you to public institutions and offices, hospitals, courts, police, and others
- The consultation is free and anonymous
- Orientated towards clients needs and time availability

Management

Birgit Schmitz
